*The Port of San Diego wants to hear from you*

Pond 20 is a 95.13-acre parcel of land, located between Palm Avenue and the San Diego National Wildlife Refuge in south San Diego Bay. Pond 20 currently is undeveloped, and the Port is working with the cities of San Diego and Imperial Beach to explore opportunities for future uses.

This workshop will be an open house format where you will find information to help you develop a project proposal. Plan on attending this workshop to learn more about past studies and public comments received on the Pond 20 parcel.
